

TECHNICAL DATA SHEET

icanHi-Cover+

Ican Hi-Cover+ is an excellent professional quality vinyl copolymer dispersion paint with true whiteness. It is recommended for interior use, suitable for walls and ceilings, being either a base coat or top coat. It dries to a matt finish and due to high solid content covers well while achieving better filling capability.

Ican Hi-Cover+ is a non drip, non yellowing paint that is easy to apply with a roller, brush or spray and is also vapour permeable.

NFEO and APEO free. EU limit value for this product (cat. A/a): 75g/l (2007). This product contains 21 g/l VOC.

Area of Use

Interior: Ceilings and walls

Substrates: Concrete, cement, rendered plaster, plasterboard, lining paper, grass fibre, particleboard.

Application

The surface must be stable, dry and free of dust, sand, loose old paint, laitance, dirt, grease and oil.

On rough surfaces it may be necessary to dilute the paint by about 10% with fresh water. Use only where application and drying can commence at a temperature above 7°C (preferably above 10°C), with relative humidity below 85%. Surface temperature should be between 7-35°C).

Technical information

Sheen level: 3 (flat matt)

Solvent/Cleaning of tools: Fresh water

Coverage: 6-9m²/litre

Volume solid: 36%

Drying time: 2-3 hours (touch dry)

Recoating time: Min 8-10 hours depending upon temperature and relative humidity

Safety

Handle with care. The paint releases mild odour. Consult Material Safety Data Sheets and follow all local and national regulations. Avoid inhalation and contact with skin and eyes. Do not swallow. Take precautions against possible risks of fire and explosion, as well as protection of the environment.

Apply only in well-ventilated areas. Do not paint if the surface is colder than +7°C. Once opened keep can tightly sealed. Wipe away as much paint as possible from painting tools before cleaning with water, liquid paint waste must not be poured down the drain - dispose of it according to local regulations. Hand in empty cans to your nearest recycling depot

KEEP AWAY FROM CHILDREN

If swallowed immediately call a doctor.
