

PyroStop FR30

5* Wood Treatment

Page 1/4 Date 01/03/2020

1) Identification of the substance/mixture and of the company/undertaking

1.1	<u>Production Identifier</u> Product name	PyroStop FR30
1.2	<u>Relevant identified uses of the substance or mixture and uses advised against</u> Identified uses	fire retardant
1.3	<u>Details of the supplier of the safety data sheet</u>	eicó Paints Limited 861 - 863 Fulham Road London, UK - SW6 5HP +0845 073 9432
1.4	<u>Emergency telephone number</u>	Contact National Centre via Hospital or Registered Medical Practitioner

2) Hazards identification

2.1	Classification of the substance or mixture <u>Classification according to Directive 1999/45/EC</u> Based on classification and labelling information contained in this article the product shall not be classed as hazardous chemicals.	
2.2	<u>Label elements</u> Hazard description Hazard pictograms Hazardous ingredients Hazard statement Precautionary statements	None None None None None
2.3	<u>Other hazards</u>	None

3) Composition/Information on Ingredients

3.1	<u>Mixture of listed substances</u> Carbonic acid salts Water Non-toxic additives	
3.2	<u>Additional information</u> None of these ingredients are required to be listed	

4) First-aid measures

4.1	<u>Description of first-aid measures</u> <u>General</u> No special measures required	
-----	--	--

5* Wood Treatment

Page 2/4 Date 01/03/2020

Inhalation

Supply fresh air

Ingestion

Drink plenty of water. Induce vomiting, if symptoms persist consult doctor.

Skin contact

Generally the product does not irritate the skin. Wash with water.

Eye contact

Rinse opened eye for several minutes under running water.

4.2 Most important symptoms and effects, both acute and delayed
No information available.

4.3 Indication of any immediate medical attention and specific treatment needed
None

5) Fire-fighting measures

5.1 Product is non-flammable

6) Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures
Not required

6.2 Environmental precautions
Not required

6.3 Methods and materials for containing and cleaning up
Not required

6.4 Additional information
No dangerous substances are released

7) Handling and storage

7.1 Precautions for safe handling
No special measures are required
Ensure good ventilation at the workplace

7.2 Conditions for safe storage, including any incompatibilities
No special requirements

8) Exposure controls/Personal protection

8.1 Exposure controls

Additional information about design of technical facilities:
No further data, see item 7

PyroStop FR30

5* Wood Treatment

Page 3/4 Date 01/03/2020

Respiratory system:

Provide sufficient ventilation. In case of hypersensitivity or inadequate ventilation the respirator is recommended

Eye protection:

Wear goggles

Hand protection:

Wear gloves. wash hands after handling

Skin protection:

Wear protective clothing

9) Physical and chemical properties

9.1	Information on basic physical and chemical properties	
	Safety relevant basis data	
	Form	Liquid
	Colour	Transparent, slightly green
	Odour	Almost odourless
	Change in condition, boiling point	Not applicable
	Self-ignition	Product is not self-igniting
	Danger of explosion	Product is not explosive
	Density at 20°C	1,04 g/cm ³
	Solubility in/Miscibility with water	Fully miscible
	pH value at 20°C	8-9
	Viscosity	Not measured yet

10) Stability and reactivity

10.1	<u>Thermal decomposition</u>
	No decomposition if used according to specifications
10.2	<u>Dangerous reactions</u>
	No dangerous reactions known
10.3	<u>Dangerous decomposition products</u>
	No dangerous decompositions known

11) Toxicological information

11.1	<u>Acute toxicity</u>	
	Primary irritant effect:	
	On the skin:	No irritant effect
	On the eye:	No irritant effect
	Sensitization:	No sensitization effects known

11.2 Additional toxicological information

The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for preparation as issued in the latest version. When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.

5* Wood Treatment

Page 4/4 Date 01/03/2020

12) Ecological information

12.1 Additional ecological information None

13) Disposal considerations

13.1 Recommendation Smaller quantities can be disposed of with household waste

13.2 Cleansing agents Water

14) Transport information

14.1 Land transport
ADR/RID class -

14.2 Maritime transport
IMDG class -
Marine pollutant: No

14.3 Air Transport
ICAO/IATA class -

15) Regulatory information

15.1 Labelling according to EU guidelines
Observe general safety regulations when handling chemicals.
The product is not subject to identification regulations under EU Directives and the ordinance on Hazardous Materials.

16) Other information

Date of issue: 01.03.2020 (No Revision)
Version: 3
